

Hello- I am a xm radio subscriber. One of the benefits of having this service is listening to what I want to. I travel quite abit and enjoy listening instant traffic and weather. What makes this a great service is you always know where it is, no searching around the dial. I pay for this service and feel it is option to have it. If I do not want to pay for I can cancel my service. By passing petition 04-160 it will effect everyone who choses xm radio. Please take this email into consideration to void this petition. Thank you
